Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort

species, however many of the general principles are the same. When handling all small mammals, a firm but gentle approach is advisable. This tutorial will outline recommended techniques for handling rodents, rabbits and ferrets. The adoption of these techniques will help to minimise stress for the animals and help reduce the risk of bite injuries
